

DANIEL BABILONIA

Frontend Web Developer and
Bilingual Customer Service
Representative

About Me

I'm a developer with experience in building websites for small and medium sized businesses. Whether you're trying to win work, list your services or even create a whole online store - I can help.

I also worked for eBay as Bilingual Customer Service Representative for more than a year, so I can provide a really good insight when it comes from e-commerce platforms or UX-UI designs!

Experience

2022 - Act. **Frontend Desings**
Freelance
Creating projects and layout of web pages by using Bootstrap, Bootswatch and Redux

2022 - Act **Creation of Various Projects and Activities**
Academlo
API implementation activities and responsive webpage layout using React.

2021 - 2023 **Bilingual Customer Service Representative**
Teleperformance
For over a year, I worked as a Bilingual Customer Service Representative in the Payments LOB of eBay, where I acquired customer service skills in a bilingual environment and was able to develop my problem-solving and teamwork abilities.
